

Updates

Hello Fellow Members:

BREAKING NEWS! Our negotiation team believes we have reached an agreement with the district regarding the Hybrid MOA. More information will follow once both the WREA and WRSD review the final language.

TOWN HALL FOLLOW UP: Thank you to the over 250 members who took time to attend the first Live Town Hall with Superintendent McCall. We also would like to acknowledge all of the members who submitted questions and concerns. Regrettably our time was limited to 90 minutes, so some of your questions had to be condensed or combined with other members' concerns. A shout out to Kate Andrus for coordinating and to Aileen Thurber for facilitating the event. Carolyn Beaumier graciously documented Dr. McCall's answers. Below are the links to the notes and the recording of the meeting.

GRIEVANCE UPDATE: Vice President of Contract Maintenance Alicia Jasiekiewicz worked diligently with WREA members to remedy safety concerns in district buildings. Below is the link to the resolution summary.

WACHUSETT FOOD PANTRY FUNDRAISER: This community service outreach will kick off next Thursday, January 21, 2021. Be on the lookout next week for how to donate.

Please, please take some time for yourself this long weekend, maybe a walk in nature or a quiet moment with a cup of tea. Rejuvenating feeds the soul and as we welcome more of our students into our buildings, I am wishing you a peace filled heart.

In unity,

Mary Shepherd

President WREA
