WREA Professional Development Money - DEADLINE - Wednesday June 16, 2021 - NOON

Submit forms to Cathy Purdle in the Business and Finance Office at Central Office.

WREA will be meeting with the district on distribution of PD money at 1 p.m. on June 16, 2021.

Professional development money is available for any workshops, conferences, and courses you took this school year that provided you with PDPs/credits to apply towards your license advancement and/or renewal. As of June 1, 2021 there remains \$77,994.52 of the \$108,960 allocated for professional development of all WREA members.

Please submit the linked reimbursement form below with a copy of your paid receipt, evidence of completion i.e. grade or certificate, and copy of course approval from the district, if applicable, to Cathy Purdle in the Business Office. (This information is on the bottom of the reimbursement form.) [Employee Final Request for Reimbursement](#)

NOTE: All courses are eligible for reimbursement, even ones not pre approved for lane changes. The course may not help your lane change move with the district, but it could be used for PDPs needed for your license renewal with the state.
